

HIRAM

Habitat

WALL PANELS

OCEAN

Ash

The OCEAN surface is inspired by Japanese interior design and its traditional craftsmanship. Made from locally sourced ash wood, the irregularly planed surface structure creates a unique appearance and an exclusive feel. Ash wood is naturally characterized by a vibrant appearance, with its natural color nuances ranging from warm brown to light cream.

Surface OCEAN | Ash wall panels | Solid wood

Thickness x Width	20 x 180 mm
Length	Fixed lengths: 2,50 m 3,00 m, with tongue & groove along the length; Custom dimensions and end-side tongue and groove available on request.
Quality	Fine selection, occasional tear-outs or small knots, lively color variations allowed, low sapwood content permitted.
